

MODEL 51 PARTS ADDENDUM

A thoughtful Shotgun Report reader sent us the following information on Ithaca Model 51 parts:

Dear Technoid,

Just read a post on your site about parts for Ithaca autoloaders.
Thought you may like to know that parts are available for obsolete Ithaca models.

Sharp's Guns Ltd
RR#4 Dunville Ontario Canada
N1A 2W3
905-774-6368

When Ithaca closed their Canadian operation, Ron Sharps purchased all the parts inventory, as well as a large qty of inventory from the U.S.
If it exists, he probably has it.

Regards,
Don
